### RR Recreation Club

We believe in a healthy body and mind. Quality food without any adulteration is our faith. Combining it with physical and mental workouts, we hope to provide a conducive environment for our society. While exercising and eating healthy food is essential for nourishment, reading books reflects on progressive mindset and enlightenment. At Rosh & Rose, you will enjoy all these under one umbrella. Indoor games like chess, cards, Scrabble, and a range of books to stimulate the mind with selective foods to satisfy your taste.
